How to Use This Index

This index is a guide to articles appearing in the *IMF Survey* in 1998. For each article, the heading, date, and initial page number are listed under all appropriate subject headings. Page numbers ending with a "t" indicate tables.

In 1998 the *IMF Survey* featured special issues dated April 27 (Spring Meetings), September 1998 (*Supplement on the IMF*), and October 19 (Annual Meetings).

Page numbers in the *Supplement on the IMF* are indicated in the index by an "S" in front of them.

The index includes supplementary listings of IMF publications reviewed (pages 412–13), as reported in the *IMF Survey* during the year.

Each year's index is included in bound volumes of the *IMF Survey*. Volume 27 will be available for $89.00 from Publication Services, IMF, Washington D.C. 20431, U.S.A.
